

MAVESZ Chemical Industry Conference

14-15th October 2025.

Hotel Eger & Park (3300 Eger, Szálloda út 1-3.)

14th October, Tuesday morning – competitiveness

(during the session simultaneous English/Hungarian interpretation is provided)

Chair:	Péter Császár, President of MAVESZ, CEO of MOL Petrochemicals
9.00-10.00	Registration
10.00-10.20	Welcome and opening speech: Challenges of the Hungarian chemical industry in 2025 Péter Császár, President of MAVESZ
10.20-10.40	European Chemicals Industry Action Plan – What lies ahead for Europe's chemical industry? Marco Mensink, Director General, European Chemical Industry Council (CEFIC)
10.40-11.00	EU Omnibus proposals and their implications for the chemical industry Sylvie Lemoine Deputy Director General, European Chemical Industry Council (CEFIC);
11.00-11.10	Q & A
11.10-11.30	Coffee break
11.30-11.50	New climate targets, new challenges: climate target for 2040, EU ETS and IDAA proposals Csaba Gondola State Secretary for Circular Economy and Climate Policy, Ministry of Energy
11.50-12.40	Chemical industry competitiveness and regulation – roundtable discussion Péter Császár, President of MAVESZ; Marco Mensink, Director General, European Chemical Industry Council (CEFIC); Csaba Gondola State Secretary for Circular Economy and Climate Policy, Ministry of Energy; Ádám Nagy, Deputy State Secretary for Industry Affairs, Ministry of the National Economy;
12.40-12.50	Q & A
12.50-14.00	Lunch at hotel restaurant

MAVESZ Chemical Industry Conference

14-15th October 2025.

Hotel Eger & Park (3300 Eger, Szálloda út 1-3.)

14th October, Tuesday afternoon – environmental, authority topics

(during the session simultaneous English/Hungarian interpretation is provided)

Chair:	Gábor Németh, Vice President of MAVESZ, Deputy CEO of Zoltek
14.00-14.25	Energy efficiency challenges in the chemical industry – introducing the MAVESZ energy efficiency working group Chair of MAVESZ energy efficiency working group
14.25-14.50	ESG obligations for chemical companies in light of Hungarian legislative changes and Omnibus proposals Csaba Gábor Molnár, ESG director, Supervisory Authority for Regulated Activities (SZTFH)
14.50-15.15	Recycling potential of industrial wastewater Krisztina Borsos, general manager, Hidrofilt Kft.
15.15-15.25	Q & A
15.25-15.45	Coffee break
15.45-16.10	Official experiences following the reorganization of disaster management tasks Győző Almási, Deputy State Secretary for Authority Affairs, Ministry of Public Administration and Regional Development
16.10-16.35	Experiences of implementing the Critical Infrastructure Act in the chemical and pharmaceutical industries István Angyal, Head of Department, BM OKF Critical Infrastructure Coordination Department
16.35-16.55	Establishing the safety of polyol transport András Polka, technical manager, FER Fire Department Kft.
16.55-17.05	Q & A
20.00	Gala dinner with wine tasting

MAVESZ Chemical Industry Conference

14-15th October 2025.

Hotel Eger & Park (3300 Eger, Szálloda út 1-3.)

15th October, Wednesday, morning – environmental, authority topics

Chair:	Tamás Varga, Vice President of MAVESZ, CEO of Dunastyr
9.00-9.30	Registration (for second day participants)
9.30-9.50	The REACH Regulation review and restriction proposals: what proposals can be expected? Szilvia Deim, Head of Department, National Center for Public Health and Pharmaceuticals
9.50-10.10	Changes to the CLP Regulation and Omnibus Zsuzsanna Kiss, expert, National Center for Public Health and Pharmaceuticals
10.10-10.30	Noise pollution challenges and regulatory issues in the chemical industry Nikoletta Keszthelyi, Deputy State Secretary for Environmental Protection, Ministry of Energy
10.30-10.50	Noise reduction project at BorsodChem Dénes Liktör, EHS director, BorsodChem Zrt.
10.50-11.00	Q & A
11.00-11.20	Coffee break
11.20-11.40	The MAVESZ-Szabolcs Szabó Foundation Project Competition is ongoing Zoltán Murányi college professor, Szabolcs Szabó Foundation
11.40-12.00	How to survive a day in the chemical industry? – lessons learned from serious international accidents Iván Domján, EHS manager, EUROAPI Hungary Kft.
12.00-12.20	Developing EHS awareness in MOL Petrochemicals András Ládi, EHS manager, MOL Petrochemicals Zrt.
12.20-12.30	Q & A
12.30-13.45	Lunch at hotel restaurant

MAVESZ Chemical Industry Conference

14-15th October 2025.

Hotel Eger & Park (3300 Eger, Szálloda út 1-3.)

15th October, Wednesday, afternoon – digital solutions, industrial automation

- Chair: Csaba Szabó, Director, MAVESZ
- 13.45-14.05 Introduction of the EU-funded ChemSkills project
Csaba Szabó, Director, MAVESZ
- 14.05-14.25 Use of artificial intelligence in occupational safety
Ádám Fodor, AI developer, HS expert
- 14.25-14.45 The importance of technological collaboration in the chemical industry! – How can AI help us, even as young chemical engineers?
Márton Juhász, Business Leader for IA SW Solutions - Schneider Electric Kft.
- 14.45-15.05 Practical implementation of optimisation techniques
MOL Petrochemicals and BorsodChem
- 15.05-15.45 The potential of applying high-level production management, or what lies beyond ChatGPT – roundtable discussion
Moderator: Csaba Szabó, Director, MAVESZ
Participants: Ádám Fodor, AI developer, HS expert; Márton Juhász, Business Leader for IA SW Solutions - Schneider Electric Kft.; Representatives of MOL Petrochemicals and BorsodChem
- 15.45-15.55 Q & A
- 15.55-16.00 Closure of the conference
